

CARE to Stop Violence

Works to **prevent & respond** to incidents of **power-based violence** affecting the UMD community, through:

Advocacy/Therapy

Free, confidential advocacy & counseling services are available to survivors. We help survivors navigate **additional on- and off-campus resources**.

Education

We provide skills-based **trainings & workshops** on bystander intervention, consent, sexual & relationship violence, and more.

Outreach

We **connect** individuals to **our services** via tabling, events, providing CARE 101 presentations & other forms of outreach.

University Health Center | Ground Floor
Mon-Fri 9 AM - 5 PM | NO APPOINTMENT NEEDED
uhc-care@umd.edu | 301.314.2222
